# OPERATIONS LEADERSHIP & PROCESS INNOVATION

Turning daily challenges into scalable systems

*Directed the operational backbone of a growing insurance agency, managing core functions such as CRM systems, document management systems, knowledge-sharing, compliance, onboarding, and more.*

*Designed, tested, and implemented SOPs across sales, marketing, accounting, and compliance.*

*This iterative approach enabled rapid, efficient scaling, strengthened cross-team collaboration, and **freed leadership** to focus on growth and strategy.*

# PROJECT: OFFICE MOVE – STAMFORD CT LOCATION

Exceptional Workplace Experience with Zero Downtime and Cost Savings

*Led and executed all aspects of a strategic office relocation from a 5,000+ sq. ft. space to a right-sized facility for a 7-person team.*

*Achieved virtually zero downtime, reduced monthly costs by thousands of dollars, and delivered a flagship, HQ-quality workspace tailored to our niche market and high-value sales and service teams.*

# PROJECT: COMMUNICATIONS CONSOLIDATION - EAST COAST

Brought Order to the Chaos for 100 office sites and 400+ users

*Managed consolidation of phone systems across 100 East Coast offices, eliminating inconsistent menus and routing failures that left customers at dead ends.*

*Partnered with leadership to design a unified routing plan that merged service teams while preserving local sales support.*

*Drove execution hands-on, quickly resolving issues, boosting team efficiency, and improving the customer experience.*

*Enabled visibility and reporting, making business intelligence possible and preparing the organization for automated service call routing.*

## Before:

- Multiple Dead-Ends
- Underutilized or Overworked Teams
- Lack of BI Data

## After:

- Happy Clients & Stakeholders
- Fully Utilized Teams
- Useful Data

# PROJECT: M&A / OFFICE INTEGRATION - BROOKLYN CT

From Strategy Sessions to On-Site Execution: Every Detail Covered

*Took charge of integrating a newly acquired office and business with new employees, reams of ancient paper files, failing hardware and scattered electronic data to secure.*

*Juggling IT migrations, telecom upgrades, and vendor consolidation while handling space planning, signage, and training. One moment finalizing budgets with leadership, the next configuring network gear or crafting marketing announcements.*

*Coordinated teams, vendors, and employees to deliver a fully operational, branded, and compliant location smoothly, on time, and without missing a beat.*

## Project Snapshot:

# FACILITIES AND PROPERTY MANAGEMENT

## Two Roles, One Mission: Balancing Ownership & Business Operations

*Most property managers focus on the building. Most operations managers focus on the business inside it. I did both, at the same time.*

*Managed both the physical assets and business operations for 6 properties personally owned by CEO and COO, balancing owner priorities with the needs of a fast-paced insurance operation.*

*Over the years, also directed daily operations, build-outs, moves, etc. for 20+ rented office locations, with a maximum of 13 offices in operation at once, ensuring real estate assets and the business were at their peak performance.*

# THE RIGHT HAND OF THE CEO

Trusted, Discreet, and Always Two Steps Ahead

*Acted as the CEO's trusted confidant and right-hand, anticipating needs and addressing issues before they surfaced. Maintained discretion and professionalism as the **first call in crises**.*

*Turned rough concepts into polished presentations and communications. Delivered data analysis, research, and feasibility studies to guide decisions.*

*Orchestrated the back-end of sales, training, and morale-building meetings, ensuring flawless execution under pressure, often serving as an **Executive Assistant in all but title**, enabling leadership to stay focused on growth and strategy.*

In a small business environment, every team member needs to wear many hats — and Ronald wore them all with expertise, enthusiasm, and dependability.

Brian E. Rogers  
CEO, Stamford Insurance Group

# FULL-SCOPE IT MANAGEMENT

## Keeping Tech Agile, Adaptable, and Affordable

*Managed end-to-end IT infrastructure for a 60+ person, 12-location insurance agency.*

*Covering everything from strategic planning, software deployment, & hardware provisioning; to networking, security and end-user support, while keeping systems agile and cost-effective.*

*Partnered closely with leadership to ensure technology aligned with operations, enabling rapid integration of new offices.*

*Delivered system integrations that employees and stakeholders consistently praised for improving performance and productivity.*

Quickly learns new applications and, more impressively, applies them effectively to streamline operations. His initiative in creating custom software solutions significantly improved internal workflows, and his ability to handle both high-level strategy and detailed execution is rare and valuable.

Brian E. Rogers  
VP, Relation Insurance  
CEO, Stamford Insurance Group

He was key to installations and training for new systems. He exhibited a great deal of patience as the tech support contact for over 65 employees.

Deborah Brosy  
Finance Director, Stamford Insurance Group

Ron's wealth of IT knowledge... made him an invaluable asset. Whether it was working behind the scenes to resolve issues, opening new offices, or setting up new employees for success.

Lisa Lingle  
External Growth Lead, Relation Insurance

# Let's Discuss How I Can Help Your Client Succeed

“Simplicity and complexity are the same thing, or to state it in other words  
–there is a point where simplicity becomes very complex.”
