PROFESSIONAL EXPERIENCE:

Relation Insurance Services & Stamford Insurance Group

- Stamford, CT

Manager, Operations, Facilities & IT / Operations Analyst

2000 – 2025

Property & Facilities Management

- Oversaw six executive-owned properties, including maintenance, vendor scheduling, preventive planning, capital needs, utilities, documentation, and tenant interaction.
- Portfolio included mixed-use, commercial, professional office, and tenant-occupied spaces requiring coordinated maintenance, COI compliance, utilities oversight, and vendor supervision.
- Directed facilities strategy and daily operations for 20+ rented office locations, with up to 13 sites running simultaneously.
- Managed COIs, service agreements, bid processes, contract renewals, insurance compliance, and vendor performance tracking.
- Developed and maintained property documentation systems, space planning files, and cross-functional communication templates.

Tenant, Vendor & Work Order Management

- Served as primary point of contact for employees, vendors, landlords, and external partners across a multi-state real estate footprint.
- Maintained ongoing communication with tenants, addressing issues promptly and coordinating access and services.
- Implemented and administered systems to manage maintenance requests, prioritize issues, and ensure accountability.
- Led utility setup, transfer, and shutdown processes during move-ins, move-outs, acquisitions, and property onboarding.
- Consolidated vendors during M&A integrations, reducing duplication, standardizing service levels, and improving cost control.

Planning, Financial Support & Interdepartmental Coordination

- Partnered with finance and leadership to prepare budgets, capital plans, leasing analyses, and cost-savings proposals.
- Provided financial, usage, and project data for property, facilities, and vendor-related analysis to support leadership decisions.
- Collaborated with marketing, construction, accounting, IT, and leadership on space planning, branding, compliance tasks, and facility improvements.
- Coordinated multi-team efforts during office openings, relocations, and integrations, ensuring alignment across operations, IT, leasing, and facilities.

Executive Support & Leadership

- Served as the CEO's trusted right hand, providing confidential issue resolution, research, analysis, and presentation development.
- Built SOPs and organizational systems that aligned departments, improved workflow clarity, and supported agency growth from 3 to 62 employees across four states.

RECENT PROJECTS

- **Office Relocation – Stamford HQ:** Led a full relocation from 5,000+ sq. ft. to a right-sized footprint with zero downtime, thousands in cost savings, and a complete redesign of reception, offices, and collaboration areas.
- **M&A / New Property Integration/Multi-Site:** Delivered full operational integration of acquired offices in under 6 weeks, coordinating IT, telecom, utilities, vendors, compliance, branding, file auditing, and employee onboarding.
- **Multi-site Standardization Project:** Standardized communications across 100 East Coast office sites, eliminating routing failures and enabling enterprise reporting and call-flow analytics.

COMMUNITY LEADERSHIP

- **President, Brighton Court Condo Association:** Leads a 37-unit community overseeing governance, vendor management, building projects, and resident communications.
- **Partner, Rippowam Labs Makerspace:** Co-managed creative workspace and training programs.
