Executive Support, Operations & Leadership Coordination (2000–2025)

Manager: Operations & IT / Operations Analyst / Business Support Specialist

Executive Partnership & Leadership Support

- Served as the CEO's trusted right hand for 20+ years, managing priorities, confidential initiatives, and the executive operating cadence across a multi-site organization.
- Prepared executive briefings, agendas, talking points, board-adjacent materials, and follow-up tracking to ensure clarity and alignment.
- Organized leadership meetings, client engagements, and cross-functional reviews, ensuring participants were prepared and outcomes were documented and actioned.
- Maintained communication flow between the CEO and department heads, enabling timely decisions and consistent visibility into operational and strategic priorities.
- Exercised sound judgment and absolute discretion in handling sensitive information involving HR, compliance, legal, ownership transitions, and M&A-related conversations.

Operational Coordination & Business Support

- Coordinated multi-team scheduling, internal events, and operational logistics across 12+ offices, ensuring executives and staff had what they needed to perform.
- Managed vendor coordination, facilities needs, supplies, and workspace readiness—balancing cost control with high service standards.
- Supported HR and department leaders with documentation, reporting, employee onboarding, and cross-team execution.
- Assisted with budgeting support, invoice tracking, procurement, and contract evaluation for operational and IT initiatives.

Project & Integration Leadership

- Supported cross-functional initiatives involving operations, facilities, IT, HR, compliance, and finance, keeping deliverables on track and communication aligned.
- Coordinated office relocations, space planning, and buildouts; including a major headquarters move delivered with zero downtime.
- Played a central support role in post-acquisition integrations, helping unify processes, tools, workflows, and communication standards across newly acquired teams.
- Developed repeatable processes for onboarding, workflow alignment, project tracking, and documentation that improved efficiency and reduced ambiguity.

Communications, Meeting & Presentation Support

- Drafted, refined, and formatted executive presentations, reports, and reference materials used in leadership meetings and external client conversations.
- Structured meeting agendas, pre-reads, meeting notes, and action log systems that kept leaders informed and ensured consistent follow-through.
- Maintained organized digital filing systems, archives, and shared resources to support rapid retrieval and operational clarity.

Technology, Systems & Hybrid Meeting Support

- Managed hybrid meeting setups, AV systems, screen-sharing, presentation tech, and in-room troubleshooting for leadership and cross-team sessions.
- Supported Microsoft 365, Teams, SharePoint, and UCaaS tools with clear, non-technical guidance that improved adoption and reduced friction.
- Ensured reliability of workflows by maintaining organized digital systems, shared drives, meeting templates, and communication structures.

TOOLS & SYSTEMS:

Microsoft 365 (Outlook, Access, Teams, SharePoint) • Hybrid Meeting & AV Tools • CRM / Workflow Platforms • PowerPoint & Presentation Tools • LucidChart / Layout Tools.

TESTIMONIAL (FROM CEO):

“Ronald wore many hats with expertise, enthusiasm, and dependability. He often took on complex assignments with minimal direction, transforming ideas into fully executed projects. His ability to handle both high-level strategy and detailed execution is rare and valuable.”

— Brian Rogers, CEO, Stamford Insurance Group
