HIGHLIGHTS PORTFOLIO

Prepared for:

#### PROJECT: COMMUNICATIONS CONSOLIDATION - EAST COAST

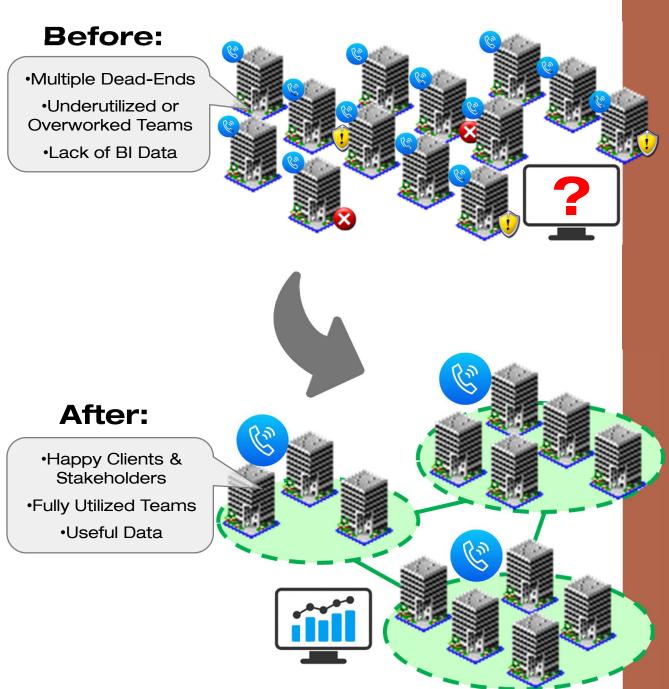

Brought Order to the Chaos for 100 office sites and 400+ users

Managed consolidation of phone systems across 100
East Coast offices,
eliminating inconsistent
menus and routing failures
that left customers at dead
ends.

Partnered with leadership to design a unified routing plan that merged service teams while preserving local sales support.

Drove execution hands-on, quickly resolving issues, boosting team efficiency, and improving the customer experience.

Enabled visibility and reporting, making business intelligence possible and preparing the organization for automated service call routing.

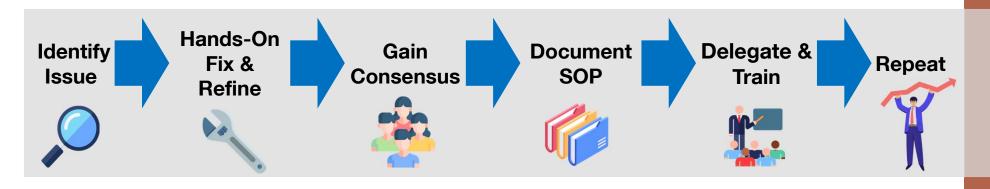

### **OPERATIONS LEADERSHIP & PROCESS INNOVATION**

Turning daily challenges into scalable systems

Directed the operational backbone of a growing insurance agency, managing core functions such as CRM systems, document management systems, knowledge-sharing, compliance, onboarding, and more.

Designed, tested, and implemented SOPs across sales, marketing, accounting, and compliance.

This iterative approach enabled rapid, efficient scaling, strengthened cross-team collaboration, and freed leadership to focus on growth and strategy.

#### THE RIGHT HAND OF THE CEO

#### Trusted, Discreet, and Always Two Steps Ahead

Acted as the CEO's trusted confidant and right-hand, anticipating needs and addressing issues before they surfaced. Maintained discretion and professionalism as the first call in crises.

Turned rough concepts into polished presentations and communications. Delivered data analysis, research, and feasibility studies to guide decisions.

Orchestrated the back-end of sales, training, and morale-building meetings, ensuring flawless execution under pressure, often serving as an Executive Assistant in all but title, enabling leadership to stay focused on growth and strategy.

In a small business environment, every team member needs to wear many hats — and Ronald wore them all with expertise, enthusiasm, and dependability.

Brian E. Rogers

CEO, Stamford Insurance Group

#### **FULL-SCOPE IT MANAGEMENT**

#### Keeping Tech Agile, Adaptable, and Affordable

Managed end-to-end IT infrastructure for a 60+ person, 12-location insurance agency.

Covering everything from strategic planning, software deployment, & hardware provisioning; to networking, security and end-user support, while keeping systems agile and cost-effective.

Partnered closely with leadership to ensure technology aligned with operations, enabling rapid integration of new offices.

Delivered system integrations that employees and stakeholders consistently praised for improving performance and productivity.

Quickly learns new applications and, more impressively, applies them effectively to streamline operations. His initiative in creating custom software solutions significantly improved internal workflows, and his ability to handle both high-level strategy and detailed execution is rare and valuable.

Brian E. Rogers

VP, Relation Insurance
CEO, Stamford Insurance Group

He was key to installations and training for new systems. He exhibited a great deal of patience as the tech support contact for over 65 employees.

Deborah Brosy
Finance Director, Stamford Insurance Group

Ron's wealth of IT knowledge... made him an invaluable asset. Whether it was working behind the scenes to resolve issues, opening new offices, or setting up new employees for success.

Lisa Lingle External Growth Lead, Relation Insurance

#### PROJECT: OFFICE MOVE - STAMFORD CT LOCATION

#### Exceptional Workplace Experience with Zero Downtime and Cost Savings

Led and executed all aspects of a strategic office relocation from a 5,000+ sq. ft. space to a right-sized facility for a 7-person team.

Achieved virtually zero downtime, reduced monthly costs by thousands of dollars, and delivered a flagship, HQ-quality workspace tailored to our niche market and high-value sales and service teams.

### PROJECT: M&A / OFFICE INTEGRATION - BROOKLYN CT

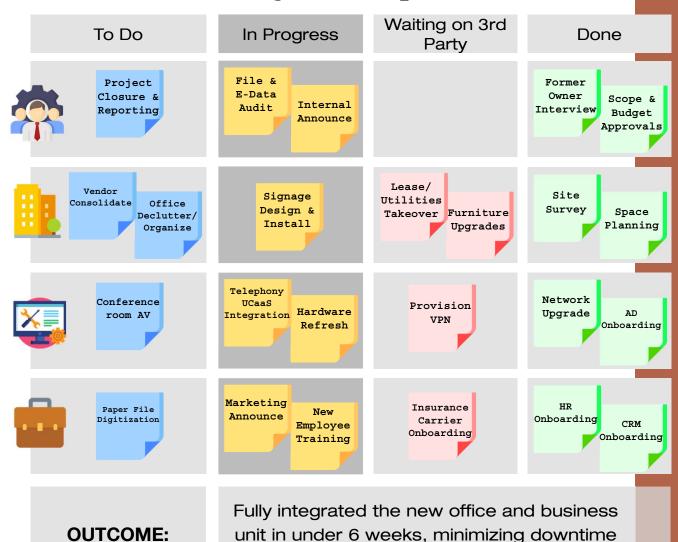

From Strategy Sessions to On-Site Execution: Every Detail Covered

Took charge of integrating a newly acquired office and business with new employees, reams of ancient paper files, failing hardware and scattered electronic data to secure.

Juggling IT migrations, telecom upgrades, and vendor consolidation while handling space planning, signage, and training. One moment finalizing budgets with leadership, the next configuring network gear or crafting marketing announcements.

Coordinated teams, vendors, and employees to deliver a fully operational, branded, and compliant location smoothly, on time, and without missing a beat.

## Let's Discuss How I Can Help Your Organization Succeed

"Simplicity and complexity are the same thing, or to state it in other words
-there is a point where simplicity becomes very complex."
